

AMENDMENTS TO THE CLAIMS

This listing of the claims will replace all prior versions and listing of the claims in this application.

Listing of the Claims:

1. (Original) A barrier system comprising a main pillar and at least one demountable satellite pillar; wherein each of said main and satellite pillars includes rolling means, wherein each of said pillar is joined to an adjacent pillar by at least one respective retractable webbing assembly.

2. (Original) A barrier system as claimed in Claim 1 wherein said rolling means includes locking means to prevent rotation of the rolling means.

3. (Currently amended) A barrier system as claimed in Claim 1 ~~or Claim 2~~ wherein the rolling means comprises a pair of wheels.

4. (Original) A barrier system as claimed in Claim 3 wherein the locking means comprise a brake assembly comprising a bar acting against the rolling surface of at least one of the wheels.

5. (Currently amended) A barrier system as claimed in ~~any one of Claims 1 to 4~~ Claim 1 wherein each pillar is joined to each adjacent pillar by two retractable webbing assemblies.

6. (Currently amended) A barrier system as claimed in ~~any one of Claims 1 to 25~~ Claim 1 wherein each retractable webbing assembly comprise a length of webbing mounted at a first end thereof to a tensioned reel for retraction there into and mounted at a second end thereof to an attachment element adapted to be received and retained by a corresponding connecting element upon the adjacent pillar.

7. (Currently amended) A barrier system as claimed in ~~any one of Claims 1 to 5~~ Claim 1 wherein each retractable webbing assembly comprises a length of webbing mounted at a first end thereof to a first tensioned reel for retraction there into and at a second end thereof to a second tensioned reel for retraction thereinto; the first and second reel each being mounted upon a respective pillar.

8. (Currently amended) A barrier system as claimed in ~~any preceding claim~~ Claim 1 comprising a main pillar and at least two demountable satellite pillars.

9. (Currently amended) A barrier system as claimed in ~~any one of Claims 1 to 6~~ Claim 1 comprising a further satellite pillar demountably carried by at least one of said satellite pillars.
